Prefer dry land? The Big Creek Greenway is a 12-foot-wide concrete and boardwalk path that meanders through the woods along Big Creek, ideal for walking, jogging, biking and inline skating. The path is an effort to conserve the environment, while providing recreational opportunities to residents and visitors, environmental education and a route for alternative transportation.

Make a splash at the Cumming Aquatic Center, a state-of-the-art aquatic facility featuring two indoor pools -- a 50-meter competition pool and a 25-yard instructional pool -- welcoming the public seven days a week. Open May through September, the outdoor leisure pool includes a slide, a lazy river, and a play structure for children. The outdoor area also

features four cabanas for birthday parties and three giant umbrellas for shade.

The Center hosts a USA diving club and three year-round USA swim teams, which offer age-group and Master's teams.

During the fall, Forsyth County high school swim team and dive teams practice out of the facility.
